Player Profile

HOWARD SHOCKLEY

Howard is a 6'6 freshman from Snow Hill, Md. Although only a freshman, Howard is well on his way to becoming the school's all-time scorer and rebounder. Howard comes to Salisbury with excellent credentials from high school as he led the team in rebounds and scoring. Coach Lambert is also pleased at the way "Shock," as he is known, has adjusted to the college environment although some people who have seen him play don't know how Howard should improve by next season.

Game Profile

The Greyhounds and Salisbury have met only once on the basketball court. That game was won by Loyola last season by a score of 92-81. Loyola finished the 1972-73 campaign in a strong fashion by defeating Roanoke in the Mason-Dixon Tournament and thusly, gained a berth in the NCAA College Division playoffs. Loyola has a tall team, averaging 6'4. The Greyhounds rely on the backcourt duo of Gene Gwiazdowski and Kevin Robinson for most of their steady scoring. Up front 6'8 Mark Rhode has been their most consistent big man. The Gulls have tightened up their defense of late and hope that their outside shooting will be present. If so, this should be a very tight game.
